Winner. Ben Bently with a 3lb 5oz perch, one of three that totalled over 10lb to make up his weight of 40lb 3oz

Last week's practice round on the same venue showed how important boat traffic can be. With the canal closed for navigation due to lock repairs and the cold nights the canal was crystal clear in places and low weights were evident. With the conditions being the same little improvement was expected for this week's league match.

However, the top four anglers in this fifth round put over 108lb on the scales. Top on the day was Browning Andover Ben Bently with 40lb 3oz of perch, bream and skimmers. Ben drew two pegs above church lock in G section and started on bread at 6m, after a slow start Ben caught a few skimmers to 2lb. A change to a chopped worm line at 13m down the canal produce 3 perch for 10lb and some bream and good skimmers.

At the other end of the match length on peg A1 in Crofton was Glyn Loveday (Swindon Tailisman). Starting on bread at 11m Glyn caught roach steady

but an early look on a chopped worm line was a wise move. Catching bream & perch to 3lb on caster or bits lobworm for 34lb 12oz.

It was Browning Andover who came out as top team on the day with 39 points. With one round left to fish there are three teams (Devizes MG, Garbolino BMV & Daiwa GL) in first place with 13 points. So it's all down to the final round to conclude which teams will progress to the yet to be announced semi finals.
